I understand the Court may impose jail time in accordance with the program standards and procedures if I do not fully comply with all Program requirements. INTRODUCTION TO THE RECOVERY COURT PROGRAM

Congratulations on entering the Tuolumne County Recovery Court Program.

This is not a simple endeavor. There are many responsibilities and expectations. You are expected to fulfill the many requirements and we want to emphasize some very important aspects of your Recovery Court Program.

1. **Program Schedule:** The Recovery Court Program Schedule will be discussed with you when you meet with the Probation Officer. The Program schedule lists the frequency you are required to drug test, appear in court, attend self-help meetings and attend case management sessions. Participants are evaluated every four (4) months. The purpose is to determine if you will remain in the same treatment modality or be changed to a different one. **YOU** are expected to alert your Treatment Counselor and your Case Manager when you are due for a review.
2. **Drug Testing:** For the first four (4) months, you are required to submit to witnessed urine testing a minimum of three (3) times each week. These days should NOT be back-to-back. If you test twice on the same day, you will only receive credit for one. Failure to test – no matter why – is considered the same as a dirty test.

This is a **Drug-Free** program. If possible, request non-narcotic prescriptions. Present a copy of the prescription or prescription label to the tester. You must present documentation that you are taking prescription medication **BEFORE** you test.

The purpose of this letter is to minimize any *unpleasant surprises*.
