As set forth in pertinent part in ACR 140:

The cultural and governmental contributions of the Native people of California have shaped the course of the state throughout history. This is the sixth California Native American Day since Governor Gavin Newsom issued an executive order apologizing for the historical wrongs tolerated, encouraged, subsidized, and committed by state actors against California Native Americans. We can never undo the wrongs inflicted on the people who have lived on this land that we now call California, but we can work together to build bridges, tell the truth about California's past, and begin to heal deep wounds.

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature recognizes the importance of California Native American Day, celebrated this year on September 27, 2024, and the annual California Indian Cultural Awareness Conference, to the enhancement of awareness of California Indian culture.

In observance of California Native American Day, the court will be closed. There are no probate matters to post/resolve on this date.
