The request shall be filed as soon as practicable in order to maximize the time available to the Court to arrange court reporter services. For civil trials, the request shall be filed no later than 10 court days prior to the commencement of trial. If the Court is unable to arrange court reporter services in the time between the filing of the request and the commencement of the proceedings for which court reporter services are requested, the proceedings may be continued

The use of cell phone cameras, personal digital or film cameras, and similar portable devices will not be permitted for photographing or copying court documents in the clerk's offices.  4. Stipulations to continue any proceeding shall be signed by the attorneys for all represented parties in the case.

(Amended 7/01/18, 7/01/16, 1/01/07; effective 7/01/98 [subd. (e) of local rule 2.04.0 moved to local rule 2.03.5.]

2.04.1 Resolution of Discovery Disputes: It is the Court's policy to attempt to resolve discovery disputes informally and efficiently. Accordingly, the Court has instituted special procedures for the resolution of discovery disputes through Informal Discovery Conferences (see Code Civ. Proc., § 2016.080), which must be scheduled on local forms that are available from the clerk's office and on the Court's Web site.

- a.** Prior to the discovery cut-off in an action, no motion under the California Civil Discovery Act (Code Civ. Proc., § 2016.010 et seq.) shall be filed or heard unless the moving party has first filed a written Request for Informal Discovery Conference ("Request") and the Court has acted or is deemed to have acted on that Request in any manner set forth in subdivision (f) below.
- b.** Following a reasonable and good-faith attempt to achieve an informal resolution of each issue to be presented (which should include both written and either in-person or telephone communication), a party may request an Informal Discovery Conference. The party requesting the Informal Discovery Conference must file a Request with the clerk's office on local form TUO-CV-275 and serve the opposing party pursuant to any authorized or agreed-upon method of service that ensures the opposing party receives the Request no later than the next court day following the filing.
- c.** The opposition to a Request must be made using local form TUO-CV-300, must be filed within three (3) calendar days of receipt of the Request, and must be served on the party that requested the Informal Discovery Conference pursuant to any authorized or agreed-upon method of service that ensures the party receives the opposition no later than the next court day following the filing.

- d.** No other pleadings regarding the discovery dispute, including but not limited to exhibits, declarations, or attachments, will be accepted, except for a privilege log, if required (see subdivision (e) below).
- e.** Where privilege is a basis for refusal to produce documents, privilege logs must be provided. The privilege log shall identify all sending and receiving persons or entities, as well as include information sufficient to apprise the opposing party and the Court of the basis for the asserted privilege.
- f.** Court's action on a Request for Informal Discovery Conference

 - 1. If the Court acts on the Request, the parties will be notified whether it has been granted or denied and, if granted, the date and time of the Informal Discovery Conference. The Court will use local form TUO-CV-325 for this purpose. The Informal Discovery Conference will be calendared to be held within thirty (30) calendar days of the granting of the Request.
 - 2. If the Court has not granted or denied the Request within ten (10) calendar days following the filing of the Request, then it shall be deemed to have been denied at that time.
 - 3. If the Informal Discovery Conference is not held within thirty (30) calendar days of the granting of the Request, then the Request shall be deemed to have been denied at that time, unless the time for holding it has been extended by agreement of the parties and the Court.
- g.** At the Informal Discovery Conference, the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.
- h.** If (1) the Court has denied the Request, (2) one of the deadlines above has expired without the Court's having acted, or (3) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.
- i.** The time for making a motion to compel or other discovery motion regarding the disputed issues is tolled from the date of filing of the Request until the Request is denied or deemed denied, unless extended by order of the Court.
- j.** Nothing herein shall preclude any party from applying ex parte for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.
- k.** References to "days" mean calendar days, unless otherwise noted. If the date for performing any act falls on a Saturday, Sunday, or court holiday, then the time for performing that act shall be extended to the next court day.
- l.** Refusal by any counsel to participate in an Informal Discovery Conference shall, in the discretion of the Court, be grounds for entry of an order adverse to the party

represented by counsel so refusing or adverse to that counsel. Failure to file written opposition to the merits underlying a Request will be considered refusal to participate. When there is no written opposition to the merits of the Request, the Court may, in its discretion, enter an order adverse to the non-responding party or counsel. (*Amended 7/01/18; effective 7/01/17*)

2.05.0 Mandatory Settlement Conference: A mandatory settlement conference is scheduled with each trial setting, except for matters on the short-cause trial calendar. An attempt is made to set the conference three (3) to four (4) weeks prior to the trial. All persons whose consent is required to effect a binding settlement shall be personally present at the mandatory settlement conference. Any request to the Court to excuse attendance of any such person should be made in writing, no later than five (5) calendar days before the mandatory settlement conference, with copies to all other parties. A person excused from personal attendance by the Court shall be available for telephone communication with counsel at the time set for the mandatory settlement conference.

Included among such persons who must attend the mandatory settlement conference are:

- a. The attorneys who will handle the trial if the case is not settled; or an attorney in their place who is apprised of the facts and the law and otherwise prepared for the settlement conference.
- b. The litigants (unless consent of the particular litigant is not required for the settlement).
- c. A representative of any insurance company that has coverage involved in the case who has authority to settle the case.
- d. A representative of a corporation or other business or government entity that is a litigant who has authority to settle the case. (*Amended 7/01/16, 1/01/14, 1/01/01; effective 7/01/98*)

2.06.0 Differentiation of Cases to Achieve Goals

- a. To comply with the trial court case disposition time goals at standard 2.2 of the Judicial Council's Standards of Judicial Administration, the Court has adopted the following case management plans, with disposition goals calculated from the date of filing:

12-month plan: Disposition within 12 months
18-month plan: Disposition within 18 months
24-month Plan: Disposition within 24 months

Cases in the Delay Reduction Program shall be assigned to the appropriate case management plan at the case management conference, based on case evaluation factors outlined in California Rules of Court, rule 3.715.

- b. Upon finding of good cause, the Court may reassign a case to a different case management plan or, in the interest of justice, exempt a case from the case-disposition time goals. If the Court exempts the case from the case-disposition time goals, the Court shall establish a case-progression plan and monitor the case, with a goal of disposition within three (3) years. *(Amended 7/01/16, 1/01/07; effective 7/01/98)*

2.07.0 Demand for Jury Trial: All cases set for trial in which there is an entitlement to a jury will be deemed to have a jury demand made by plaintiff absent a waiver in writing or in open court. If no waiver is made, plaintiff shall be responsible for the jury deposit. If plaintiff waives a jury, any other party may demand a jury and be responsible for the jury deposit consistent with the procedures for jury trial set forth in Code of Civil Procedure section 631, subdivision (b). Also, consistent with Code of Civil Procedure section 631, subdivision (f)(5), failure to timely deposit jury fees constitutes a waiver of a jury trial, and no jury will be impaneled. *(Amended 7/01/16, 1/01/01; effective 7/01/98)*

2.08.0 Settlement of Civil Jury Trials: The Court strongly urges that cases set for jury trial be settled, if at all possible, no later than 1:00 p.m. of the court day preceding the trial date. If a case is settled and the department which has been assigned the case is not notified by 4:00 p.m. of the court day preceding the date set for trial, the parties will be assessed the cost of the entire jury panel summoned in such proportion as the Court deems just unless good cause is shown. Attorneys shall, during the week preceding the date fixed for trial of any of their cases, keep the Court advised as to the likelihood of settlement and any other factors, which affect the readiness of the case. *(Amended 1/01/01; effective 7/01/98)*

2.09.0 Civil Long-Cause Trial Calendar Call: All long-cause trials will be called on the date set for trial in the courtroom of the department to which it has been assigned. Two calendar days preceding the date set for trial, trial counsel and pro per litigants shall call the department to which the case has been assigned for trial and inform the Court of the status of matter in regard to trial and settlement. *(Amended 7/01/10; effective 1/01/01)*

2.10.0 Trial Briefs in Civil Cases: Trial briefs are required for all civil court cases. Briefs shall be submitted to the Court and opposing counsel no later than one court day preceding the date set for trial, unless the Court orders submission at an earlier date. Trial briefs shall set forth the issues to be tried and any significant evidentiary problems that are likely to be presented. Trial briefs shall list all witnesses the counsel preparing the brief intends to call at the trial. *(Amended 7/01/10, 1/01/01; effective 7/01/98)*

2.11.0 Jury Trials:

- a. Jury trials are set by the assigned department, except for unlawful detainer actions, which are set by the filing of an at-issue memorandum.

b. **Jury Deposit:** In civil cases, other than unlawful detainer actions, the first days jury fee deposit of \$150 must be received by the clerk's office no later than twenty-five (25) days prior to trial. In unlawful detainer actions, the first day's jury fee deposit of \$150 must be received by the clerk's office no later than five (5) days prior to trial. *(Amended 7/01/16, 7/01/10, 7/01/05, 1/01/01; effective 7/01/98)*

2.12.0 Civil Non-Jury Trials: If the parties case management statement indicates a preference for trial by the Court of three (3) hours or less, it will be set on the short-cause trial calendar. The following procedure shall apply to the short-cause trial calendar:

- a. No matter on the short-cause trial calendar shall be set for a settlement conference unless all parties so request, in writing, or unless so ordered by the Court.
- b. Matters set in the short-cause trial calendar will be called on the trial date in the department to which the trial has been assigned, and all counsel and parties must be present. *(Amended 7/01/10, 1/01/01; effective 7/01/98)*

2.13.0 Jury Instructions, Witness Lists, and Requested Voir Dire: Not less than one (1) court day before trial, two copies of proposed jury instructions, witness lists and proposed voir dire questions shall be submitted to the trial judge by each party.

- a. The Court will consider proposed instructions submitted by the attorneys for the parties, in addition to those contained in CACI.
- b. Counsel may make their requests by CACI number; however, those instructions shall be submitted fully prepared as set forth in California Rules of Court, rule 2.1055. *(Amended 7/01/10, 1/01/07; effective 7/01/98)*

2.14.0 Unlawful Detainer Proceedings: If the plaintiff fails to file proof of service of the summons and complaint within sixty (60) days of the complaint's filing, an order to show cause shall issue to the plaintiff and, if applicable, the plaintiff's attorney requiring them to show cause why sanctions should not be imposed for their failure to file proof of timely service of the summons and complaint, and the Court may dismiss the unlawful detainer action without prejudice. (See Code Civ. Proc., § 1167.1.) *(Amended 7/01/18; effective 7/01/03)*

2.15.0 Unlawful Detainer and Small Claims Time Standards: Pursuant to standard 2.2 of the Judicial Council's Standards of Judicial Administration, this Court adopts the following standards for timely disposition:

- a. **Unlawful detainer** cases shall be:
 - 1. 90 percent disposed of within 30 days after filing.
 - 2. 100 percent disposed of within 45 days after filing.
- b. **Small claims** cases shall be:
 - 1. 90 percent disposed of within 75 days after filing.
 - 2. 100 percent disposed of within 95 days after filing.

- c. To achieve the delay-reduction goals in this rule, the Court may issue an order to show cause as to why the plaintiff or the plaintiff's counsel shall not be sanctioned by dismissal of the action or otherwise for failure to comply with the time standards of this rule. (See Gov. Code, § 68608, subd. (b); Code Civ. Proc., § 575.2.)
(Amended 7/01/18, 7/01/16, 1/07/07; effective 7/01/05)

2.16.0 Confidential Information in Civil Filings:

- a. When filing any documents with the Court in a civil action, parties shall exclude or redact Social Security numbers and financial account numbers as set forth at California Rules of Court, rule 1.201.
- b. A party wishing to file a document containing unredacted Social Security or financial account number(s) may submit a motion or ex parte application to file an unredacted document under seal. Such documents may be filed with the Court only upon order of the Court.
- c. Original account statements and records filed with accountings of guardians and conservators pursuant to Probate Code section 2620, subdivision (c) shall be exempt from this local rule and shall be filed or lodged as set forth at section 2620, subdivision (c)(7).
- d. Unless clearly required to be confidential, court files are public records and are open to inspection by any member of the public. Court clerks are not authorized to redact any such confidential information absent court order. It is the responsibility of the parties and their counsel to redact any such information from any document presented for filing. *(Amended 1/01/18; effective 7/01/15)*

3.00.0 CIVIL LAW AND MOTION AND DEFAULTS

3.01.0 Motions: In General and Setting Hearings:

- a.** Civil law and motion matters are heard at the times set by the Court. All civil law and motion calendar dates and times are assigned by the court clerk. Parties are encouraged to call the clerk's office in advance of filing their papers in order to reserve a hearing date. If no hearing date has been reserved in advance, the clerk's office will assign a hearing date upon the filing of the appropriate papers; if a party's papers reflect a hearing date that was not reserved in advance and is not available, the clerk's office may assign a different hearing date.
- b.** The responsive papers in opposition to a calendared motion must be filed with the clerk by 3:00 p.m., no later than nine (9) court days prior to the date of hearing (not counting the day of the hearing). Any reply papers to the opposition must be filed by the moving party no later than five (5) court days prior to the designated hearing date (not counting the day of the hearing). These requirements do not apply to requests for orders shortening time or ex parte applications, and they do not affect the timing requirements of the summary judgment and adjudication statute, Code of Civil Procedure section 437c.
- c.** If opposition papers are not timely filed, the Court, in its discretion, may deem it a waiver of any objections and treat it as an admission that the motion or other application is meritorious. The Court, in its discretion, may grant the motion. In that case, a party desiring to further oppose the motion will be required to bring a properly noticed motion for reconsideration, motion for new trial, or other appropriate motion, and comply with any specific requirements of the motion so brought. *(Amended 1/01/18, 7/01/16, 7/01/15, 7/01/10, 1/01/01; effective 7/01/98)*

3.02.0 Requests for Continuances:

- a.** A request for continuance based on stipulation by the parties must be made in writing, filed with the Court, and accompanied by a proposed order granting the request. The request shall clearly state the title of the motion, the date it was filed, and the upcoming hearing date. Parties are encouraged to call the clerk's office in advance of filing their request in order to confirm the availability of their preferred new hearing date(s). Because the Court reviews calendared matters well in advance of the hearing date, parties that plan to request a continuance are expected to inform the Court of their intention to do so as soon as is practicable.
- b.** Only one (1) continuance per side will be granted. Thereafter, if the matter does not proceed, it may be dropped from calendar at the discretion of the Court. *(Amended 1/01/18, 7/01/10, 1/01/01; effective 7/01/98)*

3.02.1 Request that Matter Be Dropped from Calendar: If a moving party wishes to drop a noticed motion from calendar, it shall do so by filing a declaration or request to that effect and serving a copy on all parties. The declaration or request shall clearly state the title of the motion, the date it was filed, and the upcoming hearing date. Because the Court reviews

calendared matters well in advance of the hearing date, a party that plans to drop a motion from calendar is expected to inform the Court of its intention to do so as soon as is practicable. *(Amended 1/01/18; effective 7/01/10)*

3.03.0 Timely Filing of Papers: Because the Court reviews calendared matters beforehand, if opposition papers arrive late, the matter will be heard and decided on the bases set forth in the papers timely filed, unless the Court, in its discretion and for good cause shown, decides to continue the matter. *(Amended 1/01/01; effective 7/01/98)*

3.04.0 Orders Shortening Time: Orders shortening time are strongly disfavored. Requests for such orders must be supported by a very substantial showing of a need. A request for an order shortening time shall comply with the California Rules of Court governing ex parte applications, commencing with rule 3.1200. A stipulation by the parties to shorten time is without effect.

Unless otherwise ordered, if a motion is filed pursuant to an order shortening time, all papers opposing the motion shall be served and filed by noon two (2) court days before the time appointed for the hearing. If the notice of the hearing has been shortened to two (2) days or less, papers opposing the motion may be presented in court on the day of the hearing. *(Amended 7/01/16, 1/01/07; effective 7/01/98)*

3.05.0 Argument and Oral Testimony at Law and Motion Calendar:

- a. Argument in excess of an aggregate of fifteen (15) minutes per case ordinarily may not be adduced in the law and motion calendar. If it is anticipated that lengthier argument will be necessary, advance permission must be obtained from the judicial officer hearing the matter. When such a request is made, the judicial officer will decide whether to grant the request for lengthier argument to be heard on the law and motion calendar or to set the matter for special hearing.
- b. Oral testimony is not allowed on the law and motion calendar. If oral testimony is desired, a request must be made to the judicial officer hearing the matter pursuant to California Rules of Court, rule 3.1306. The judicial officer will either (1) grant the request and direct that the matter be specially set or (2) deny the request and direct that the matter be heard based on declarations. *(Amended 1/01/19, 1/01/07; effective 7/01/98)*

3.06.0 Appearance at Hearing: If counsel or a pro per party does not appear at the hearing of a law and motion matter, the matter may be dropped from the calendar or ruled upon, and sanctions may be imposed at the discretion of the Court. *(Amended 7/01/16, 1/01/01; effective 7/01/98)*

3.07.0 Telephone Appearances: Telephone appearances for civil law and motion and probate matters shall be made pursuant to California Rules of Court, rule 3.670, as follows:

- a. Telephone appearances may be made in civil actions and special proceedings of a civil nature, such as unlawful detainer.

- b.** Counsel shall have the option of appearing by telephone for non-evidentiary civil law and motion matters, case management conferences, and non-evidentiary probate hearings. Appearing by telephone is not permitted for the following:
1. Settlement conferences or hearings combined with settlement conferences.
 2. Occasions for which a party notices intent to present oral testimony at the hearing.
 3. When the Court has ordered the personal appearance of counsel.
 4. Any hearing or conference for which the Court, in its discretion, determines that a personal appearance would materially assist in a determination of the proceeding or in a resolution of the case. The Court shall make this determination on a case-by-case basis. *(Amended 1/01/15, 1/01/07; effective 7/01/98)*

3.08.0 Substitution of Counsel:

- a. Substitution:** A document that substitutes one attorney for another or substitutes a party in pro per for an attorney must contain the name, mailing address, and telephone number of the new attorney or party in pro per and shall be served on all parties. It is insufficient to name a law firm as the new attorney of record; the document must contain the name of a specific attorney.
- b. Additional Duty:** If a trial date has been set in the action or proceeding, it shall be the duty of counsel who has substituted out or withdrawn to advise the Court in writing as to whether the client has been notified of the trial date and the manner of said notification. *(Amended 1/01/01; effective 7/01/98)*

3.09.0 Defaults:

- a.** No defaults or uncontested matters shall be set for hearing by the clerk unless and until the judgment, and all pleadings and documents necessary for hearing and disposition of the matter, are on file in the clerk's office.
- b.**
1. In all cases of a request for entry of judgment, whether the request is for a clerk's judgment or a court judgment or the matter is set for prove-up, it is the Court's policy to require evidence in support thereof in written form, unless prohibited by law. (Code Civ. Proc., § 585, subd. (c).) It is the policy of this Court to require an evidentiary declaration from the plaintiff or plaintiff's agent in all cases of default.
 2. Affidavits and declarations presented in support of a prove-up application shall comply with the requirements of Code of Civil Procedure sections 585 and 585.5.

3. At a default prove-up, allegations in the complaint or cross-complaint, if applicable, are not deemed proved because of the failure of the adverse party to answer. In all cases, proof must be presented by competent evidence and all essential elements of the causes of action sought to be proved; conclusions, whether legal or factual, are insufficient. Affidavits and declarations must affirmatively show that the affiant or declarant is competent to testify to the statements made thereon. In general, the Court will use the same standards for assessing the quality and sufficiency of the evidence as would be applied in a contested proceeding.

c. The Court will reject any claim for punitive damages, unless evidence is provided of the defaulting defendant's net worth, including liabilities. (*Amended 7/01/16, 1/01/16, 1/01/01; effective 7/01/98*)

3.09.1 Attorney's Fees: In actions on promissory notes and contracts providing for the payment of attorney's fees, whenever a prevailing party is entitled to recovery of reasonable attorney's fees, the following schedule shall be considered by the Court, in its discretion, in awarding such fees:

25% of the first \$1,000;
20% of the next \$4,000;
15% of the next \$5,000;
10% of the next \$10,000;
5% of the next \$30,000; and
2% of the amount over \$50,000.

(Effective 7/01/16 [moved from subd. (c) of rule 3.09.0])

3.10.0 Amicus Briefs: Amicus briefs may be filed only pursuant to court order upon a finding of good cause shown. (*Amended 1/01/01; effective 7/01/98*)

4.00.0 FAMILY LAW RULES

4.03.0 Custody Issues: It is the policy of the Court not to change the children's living situation during the pendency of custody and visitation disputes. Only under extraordinary circumstances will the Court deny access of one parent to the children or change any child's principal place of residence. Any application to change the child's living situation prior to a full hearing shall include the following:

- a. The current court order, if any;
- b. The current child-sharing schedule or agreement, if any;
- c. Changes in the child's place of residence in the past 180 days and the circumstances surrounding these changes;
- d. Proposed time-sharing program;
- e. The reasons for any proposed change in the child's living situation, setting forth facts establishing that the child would be physically or emotionally harmed if custody were not changed prior to a hearing on the merits; and
- f. Other relevant information. *(Amended 7/01/16, 1/01/01; effective 7/01/98)*

4.04.0 Mandatory Mediation:

- a. All contested custody and visitation matters must be scheduled for mediation.
- b. Mediation proceedings shall be held in private and shall be confidential. All communications, verbal or written, from the parties to the mediator shall be deemed official information within the meaning of Evidence Code section 1040 unless otherwise stipulated by the parties. Absent such stipulation, the mediator will not be called upon to testify. The mediator shall report any allegations of child abuse to the proper authorities pursuant to Penal Code section 11166.
- c. The parties may stipulate to have a private mediator/custody counselor attempt to resolve their disputes regarding custody and visitation.

- d. If no agreement is reached in mediation, the matter shall be referred back to the Court. - e. In the event of failure of the mediation process, a request for a custody evaluation and report may be made upon the motion of either party or upon the Court's own motion. (See local rule 4.04.1.)
- f. Failure of the parties to participate in the mediation process in good faith may subject such party or parties to sanctions. (*Amended 1/01/18, 7/01/16; effective 1/01/01*)

4.04.1 Court-Ordered Child Custody Evaluations:

- a. This rule implements California Rules of Court, rule 5.220, which governs court-ordered child custody evaluations. (See Cal. Rules of Court, rule 5.220, subd. (d)(1)(A).)
- b. The child custody evaluation and report shall be made by the agency or professional designated by the Court or stipulated by the parties.
- c. Peremptory challenges to court-appointed evaluators are not allowed.
- d. An evaluator may petition the Court to withdraw from a case. Any such petition shall be filed with the Court, and copies shall be served on all parties. Upon receipt of the petition, the Court will set a hearing on the petition.
- e. Any complaint about an evaluator's performance and any response to such complaint shall be made to the judge who ordered the evaluation.
- f. At the time a child custody evaluation is ordered, the Court typically will set a review hearing for receipt of the evaluation report. Further hearings on the report may be set based on a Request for Order (Judicial Council form FL-300) by any party or on the Court's own motion.
- g. Ex parte communications in child custody proceedings are governed by California Rules of Court, rule 5.235. (*Effective 1/01/18*)

4.05.0 Cooperative Parenting Workshop and Pre-Mediation Workshop: In any case in which child custody or child visitation is at issue and either party requests a court hearing on one or both of these issues, both parties are required to schedule and attend the Court's pre-mediation workshop and the Court's Cooperative Parenting Workshop pursuant to Family Code section 3160 et seq. The parties may attend prior to any scheduled hearing, or, if they have not yet attended, the Court will order them to attend as part of the court process to address and resolve the child custody and/or child visitation issues. - b.
 - 1. If both parties are represented by counsel, the agreement is signed by both attorneys; or
 - 2. If only one party is represented by counsel, the attorney for that party signs the agreement and the other party signs a statement in the agreement, or a declaration, or affidavit, that that party has been advised to consult an attorney regarding the agreement, but declined to do so. *(Amended 1/01/15, 7/01/10, 1/01/01; effective 7/01/98)*

4.07.0 Family Law Trial Requirements:

- a. Parties to a contested dissolution action that has been assigned a date for trial shall each file with the court and serve on the other party, no later than fifteen (15) calendar days before the trial, a completed current income and expense declaration and current property declaration on the forms prescribed by the Judicial Council. No later than five (5) calendar days before the trial, the parties shall file with the court and serve on the other party a trial brief of issues, contentions and proposed disposition of the case in the form required by subdivision (b) hereafter.
- b. The trial brief shall include a full and complete statement of the following information to the extent known or contended:

If any loans exist against any of these funds, the details regarding those loans shall be set forth;

3. **Tracing:** If it is contended that a single asset is part community and part separate property in nature, the statement shall describe the asset, its date of acquisition, its value, the dates and amount of payments upon the purchase of the asset or nature and extent of the transaction which resulted in its acquisition, and a statement of the contended segregation of the total value of the asset as to its community and separate property values;

4.12.0 Telephone Appearances: Telephone appearances for family law matters (except for actions for child support involving a local child support agency, which are governed by California Rules of Court, rule 5.324) must comply with California Rules of Court, rule 5.9. Any request for telephone appearance pursuant to rule 5.9 shall be made on Judicial Council form FL-679 (Request for Telephone Appearance), which is hereby adopted for this use in non-governmental family law cases; filed no later than seven (7) court days prior to the hearing, conference, or proceeding at which telephone appearance is requested; and served on all other parties by means calculated to ensure delivery by the close of business on the next court day after the request was filed. (Note that the timelines set forth in Judicial Council information sheet FL-679-INFO do not apply to requests made pursuant to local rule 4.12.0.) Any response to a request for telephone appearance shall be filed and served on the requestor and all other parties no later than three (3) court days prior to the hearing, conference, or proceeding. Such papers will not be considered by the Court in the absence of proper verification. *(Effective 1/01/18)*

5.04.5 Probate Hearing Dates: The Court may limit the number of matters heard on a given probate calendar, such as the number of accounting hearings. If a party's papers reflect a hearing date that was not reserved in advance and is not available, the clerk's office may assign a different hearing date.

Parties should note that review hearings are hearings set by the Court for its own monitoring of a case and do not constitute a reservation of that date for a substantive hearing on a request. For example, the Court regularly sets review hearings to ensure timely filing of inventories and appraisals, investigation reports, status reports, petitions for final distribution, and accountings, but the substantive hearing on a status report, petition for final distribution, or

accounting will not automatically be held on the same day as the review hearing that was set only to ensure that paper was filed. *(Effective 1/01/19)*

5.08.0 Letters of Special Administration: Petitions for letters of special administration ordinarily will not be granted on fewer than 24 hours' notice to the surviving spouse, the person nominated as executor, and any other person the Court determines to be entitled to notice. The petitioner must prepare a citation requiring the representative to appear personally and to show cause why the petition for removal should not be granted and the letters of appointment revoked. *(Amended 7/01/16, 1/01/01; effective 7/01/98)*

5.12.0 Lodging Original Will or Codicil: When a petition for probate of a will or codicil is filed, the original of the document being offered for probate shall be lodged with the Court prior to or concurrently with the filing of the petition. *(Amended 7/01/16, 7/01/10, 1/01/01; effective 7/01/98)*

- f. A petition for an appointment of a successor personal representative does not require a notice of petition to administer estate. Notice shall be given in the manner provided in Probate Code section 8100 et seq. Publication is not required.
- g. Notice to a minor whose name and address are known to the petitioner shall be addressed individually to the minor and mailed to the minor's residence. A copy of

the notice shall be sent to the minor's parent(s) or guardian(s). (*Amended 7/01/16, 1/01/01; effective 7/01/98*)

If no additional bond is required or if bond is waived, that fact should be alleged in the petition.
- d. Where the estate owns only a fractional interest in the real property, the petition must state whether the sale is conditional upon closing of a sale of the unowned fraction. The other fractional owner(s) shall be given notice of the hearing. If the whole parcel is being sold, only the fractional interest and its value shall be listed on the petition and used to calculate the overbid.
- e. To request posting of the notice of hearing at the courthouse pursuant to Probate Code section 10308, subdivision (c) and section 1230, the petitioner shall file a written request, directed to the clerk's office, for posting of the notice and shall attach to the request a copy of the notice to be posted. The request shall be filed at least two court days prior to the date on which the posting must begin in order to allow the clerk's office sufficient time to process the request and post the notice. Upon posting the notice, the clerk's office will prepare and file proof of posting, which proof will include the date the posting began.
- f. Overbids: All overbids made in open court must be in writing before the judge will accept the offer and grant the sale. (*Amended 7/01/17, 7/01/16, 1/01/01; effective 7/01/98*)

5.18.0 Petitions for Distribution:

- a. **Ex Parte Preliminary Distribution Petitions:** Except upon the written consent of all beneficiaries or all heirs, ex parte petitions for distribution must set forth the justification for such urgent action.
- b. **Description of Assets:** Property to be distributed shall be listed and described in detail; description by reference to the will or inventory is not acceptable. This rule applies to preliminary and final distributions with or without an accounting.
- c. **Specifically Bequeathed Property:** If specifically bequeathed personal property is not in existence at the time of final distribution, the petition shall set forth a full explanation concerning that fact.
- d. **Description of Distribution:** When the inventory value of the estate exceeds four hundred thousand dollars (\$400,000), the names and present addresses of all persons

entitled to receive property of the estate must appear in the petition for final distribution.

- e. **Compliance with Probate Code Sections 9201 and 9202:** All petitions for distribution shall contain allegations addressing the notice requirements of Probate Code sections 9201 and 9202, either that notice has been given as required by law or that no such notice is required.
- f. **Specifically Devised Real Property:** Unless waived, a separate accounting for specially devised real property is required. Such accounting shall set forth the income and expense allocable to such real property (e.g., rents, taxes maintenance, repairs, insurance). For apportionment of income and expenses, see Probate Code section 12002.
- g. **Distribution to Intestate Heirs:** The relationship of heirs who take by intestacy should be sufficiently described in the petition for distribution to permit the Court to determine whether the laws of intestate succession have been properly applied. If an heir takes by right of representation, the petition must indicate parentage and the approximate date of the parent's death.
- h. **Distribution to Fiduciary:** Where assets are to be distributed to a trustee, conservator, guardian, or other personal representative, an account shall be filed, unless waived. If distribution is to a trustee, there shall be filed with the petition for distribution either an acknowledged statement by the trustee accepting the property under the terms of the trust or a petition by the personal representative for the appointment and designation of a substitute trustee.
- i. **Distribution by Agreement or Assignment:** Where assets are to be distributed unequally in kind by agreement of heirs or beneficiaries, an executed and acknowledged copy of the agreement shall be attached to and incorporated into the petition for distribution and the terms of the agreement set out in the order of distribution to be made pursuant to Assignment of Interest of Heir or Beneficiary. The assignment shall set forth the details of consideration and shall be executed, acknowledged, and filed with the petition for distribution.
- j. **Terms of Testamentary Trust:** The terms of any testamentary trust must be set forth in full in the petition and order and not merely incorporated by reference.
- k. **Distribution to Minor or Incompetent:** On distribution to a minor or incompetent, either (1) the petition for distribution shall set forth facts showing compliance with Probate Code section 3400 et seq. or (2) there shall be filed with the petition certified copies of letters of conservatorship or guardianship.
- l. **Interest on General Pecuniary Legacies:** The Court will strictly enforce Probate Code section 12003 and will order payment of interest at the statutory rate on all general pecuniary legacies not paid within one (1) year from the date of the decedent's death unless payment of interest is waived in the will. Attorneys are responsible for determining the correct rate and computing the amount of interest.

- m. Payment of Taxes:** The petition for final distribution must address the question of the source of the payment of the federal estate tax, if any. If the tax is prorated, the final report must show the computation, and the order for final distribution must include the proration.
- n. Actions Under Independent Administration of Estates Act:** If a personal representative has proceeded under the Independent Administration of Estates Act, the final report, whether or not accompanied by an accounting, shall contain a list of all independent acts performed and an allegation that all required notices of proposed action were duly served and that no objections were made.
- o. Allegation on Creditor's Claim:** It is not sufficient simply to allege that all creditor's claims have been paid. Rather, the claims presented must be listed showing the claimant, the amount claimed, and the disposition of each claim. If any claim has been rejected, the date of service of notice of rejection of the claim shall be stated. The required allegation must appear in the final report, even though it may have appeared in whole or in part in prior reports.
- p. Allegations re: Character of Assets:** In all cases in which the character of the property may affect distribution, regardless of whether the decedent died testate or intestate, the petition for distribution must contain an allegation as to the separate or community character of the property and the identity thereof.
- q. Waiver of Accounting on Final Distribution:** The waiver generally makes a listing of the details of receipts and disbursements unnecessary. (Cal. Rules of Court, rule 7.550, subd. (a).) All other matters (e.g., the reporting of creditor claims, sales and purchases, and changes in the form of assets) must be presented in the report. (*Id.*, rule 7.550, subd. (b).) Detailed schedules of receipts and gains and losses on sales must be included notwithstanding the waiver if the petition for final distribution requests statutory compensation based on an amount other than the amount reflected in the Inventory and Appraisal form(s). (*Id.*, rule 7.705, subd. (b).)
- r. Closing Expenses:** When closing expenses are requested, the petition and order must set forth the distribution of any unused portion thereof. (*Amended 1/01/19, 7/01/16, 1/01/01; effective 7/01/98*)

5.19.0 Final Discharge: The "order" portion of the declaration and proposed order for final discharge shall be completed in full except for the date and name of the judge. (*Amended 7/01/16, 1/01/01; effective 7/01/98*)

5.20.0 Statutory Commissions and Fees in Probate Estates:

- a.** Court authorization is required for advance payment of any compensation to a fiduciary or attorney for any such fiduciary.
- b.** Unless statutory compensation is waived, calculation of the statutory compensation and any prior payments of statutory compensation shall be set forth in the petition for compensation.

- c. Where the accounting is waived, the basis of the statutory compensation shall be the inventory values of the estate, plus receipts, plus or minus gains or losses on sales. Such gains or losses shall be reflected in the report of the personal representative. If receipts are to be included in the computation, they must be set forth in detail.
- d. The Court may deduct from the personal representative's statutory commissions any sums paid from estate funds for the performance of the representative's ordinary duties.
- e. Where an attorney is the personal representative and a member of a law firm, attorney's fees will not be allowed unless a declaration is executed and filed stating that the representative will not share in the attorney's fees to be received by the firm. *(Amended 1/01/01; effective 7/01/98)*

5.21.0 Extraordinary Services: In evaluating the alleged justification for an award of fees for extraordinary services, the Court will take into consideration the statutory fee and determine whether it constitutes adequate compensation for all of the services rendered by the attorney or representative.

- a. Ordinarily, compensation for extraordinary services will not be allowed or paid before the final accounting has been approved by the Court.
- b. Extraordinary services will not be considered unless the caption, prayer of the petition, and notice to distributees all contain a reference to the application for extraordinary compensation.
- c. Except as stated below for routine real property sales and federal estate tax work, applications for fees or commissions for extraordinary services shall include a detailed explanation of the extraordinary services. The explanation shall be separately stated in a declaration under penalty of perjury executed by the person rendering the services. Such application shall specify the amount requested for each item of service, not merely a "reasonable amount." Time sheets shall not be submitted.
- d. In determining the compensation of an attorney for extraordinary services rendered with respect to real property sales, the Court will consider the amount of time involved, whether or not a real estate broker was employed, the involvement of the attorney in negotiations, the nature of the other services rendered (e.g., drafting of the sales agreement and its complexity, preparation of deeds and other documents), and other similar information. The personal representative also may request compensation for extraordinary services in regard to sales of real property.
- e. **Preparation of Federal Estate Tax Return:** In determining the compensation of a personal representative or an attorney for the preparation of a federal estate tax return, the Court ordinarily will consider the hours spent, the intricacy or peculiar nature of any of the issues or computations involved, the extent of any audit, the value of the gross estate, the amount of the tax, and other similar information. *(Amended 7/01/16, 1/01/01; effective 7/01/98)*

5.22.0 Costs: Where reimbursement for costs incurred is requested by the personal representative or attorney, the cost items advanced by such party must be separately stated and described. *(Effective 1/01/01)*

- a.** To qualify for recommended-for-approval status, all supporting documents and a proposed order must be submitted to the clerk's office at least ten (10) court days before the calendared hearing.
- b.** Notes indicating the status of matters on the Court's probate calendar generally are available several days prior to the hearing. This information is posted on the Court's website at www.tuolumne.courts.ca.gov as "Probate Notes." *(Amended 7/01/16, 7/01/10; effective 1/01/07)*

5.25.0 Matters Removed from Recommended-for-Approval Status: If an objector or counsel for an objector to a matter recommended for approval pursuant to rule 5.24.0 appears at the hearing, the Court ordinarily will continue the matter. The Court may direct that written objections or an opposing petition be filed prior to the continued hearing date. If the attorney of record on the matter is not present at the hearing, the courtroom clerk ordinarily will advise the attorney of record of the continuance and the reason therefore. *(Amended 7/01/16, 7/01/10; effective 1/01/07)*

The petitioner shall provide the form of order for appointment of the court investigator at the time the petition is filed and shall promptly notify the investigator of the appointment. The petitioner is required to provide an additional copy of the petition and any other required documents to the clerk for use by the court-appointed investigator.

Where the petitioner asserts that an investigation is not required or should be waived by the Court, he or she shall present the specific legal authority for that assertion, as well as supporting facts. (See, e.g., Prob. Code, § 1513, subd. (a) [guardianship investigation]; *id.*, § 1826, subds. - b. Appointment of counsel for a proposed limited conservatee is mandatory. An ex parte application and order for appointment of counsel may be submitted prior to the hearing to avoid continuance or delay. If a public defender is requested, the application must set forth facts establishing the proposed conservatee's financial inability to obtain private representation. (*Amended 7/01/16, 1/01/01; effective 7/01/98*)

The motion shall be served upon all parties at least five (5) court days prior to the hearing. The hearing date shall be obtained from the calendar coordinator. Any responsive papers shall be served two (2) court days prior to the hearing.
- c. The names of any experts to be called by any party and copies of any reports, if not part of the social study report prepared by CWS, shall be provided to all parties at least five (5) calendar days prior to the hearing. *(Amended 7/01/16, 1/01/07; effective 1/01/01)*

8.03.0 Settlements: The Court recognizes that agreement among the parties with regard to the matters before the Court is not only beneficial to the children but also often contributes to the satisfactory reunification of the family. The Court encourages settlement discussion among the parties at any time prior to the hearing. The Court shall be promptly advised of any proposed settlements, admissions, or submissions of the entire hearing on reports. *(Amended 7/01/16; effective 1/01/01)*

8.04.0 Standards of Representation: All counsel appearing in a juvenile dependency proceeding shall meet the minimum standards of representation set forth at California Rules of Court, rule 5.660. 8.06.0 Procedures for Reviewing and Resolving Complaints:

- a. Any party to a juvenile court proceeding may lodge a written complaint with the Court concerning the performance of his or her appointed counsel in a juvenile court proceeding, pursuant to California Rules of Court, rule 5.660, subdivision (e). In the case of a complaint concerning the performance of counsel appointed to represent a minor, the complaint may be lodged on the child's behalf by a social worker, caretaker, relative, or foster parent. Any complaint shall be lodged separately in the juvenile court file in a sealed envelope.
- b. Counsel shall be provided with a copy of the complaint. The Court shall review any complaint within ten (10) days of receipt and may determine, based upon that complaint, that a prima facie case does not exist to believe that counsel has failed to act competently or has violated these rules. In that event, no further action is required by the Court; however, the Court shall lodge its decision in the file. This decision shall constitute a final decision on the matter.
- c. If the Court determines that the complaint presents a prima facie case that counsel may have failed to act competently or has violated the applicable laws or rules, the Court shall either request an informal response from counsel or conduct a hearing in order to make a determination on the issue. If ordered, the hearing shall be held as soon as is practical. The complainant and counsel shall each be given at least five (5) days' notice of the hearing. The hearing shall not be open to the public or the parties to the juvenile court proceeding. The presiding judge of the juvenile court may designate a commissioner, referee, judge pro tem, or any qualified member of the Bar to act as a hearing officer, to review and comment on the complaint, and to report his or her findings and recommendations to the presiding judge of the juvenile court. Based on the findings of any such hearing, the presiding judge of the juvenile court may take appropriate action as determined by the Court to be necessary.
- d. Any complaints, written responses to the complaints or written notification of the Court's determination, and any comments or findings pursuant to a review hearing, as set forth in this rule, shall be subject to the confidentiality requirements established under Welfare & Institutions Code section 827. *(Amended 7/01/16, 1/01/07; effective 1/01/01)*

8.07.0 Procedures for Informing the Court of Other Forum Interest of a Dependent

Child: At any time during a juvenile dependency proceeding, counsel for the minor or any interested person may notify the Court that the minor may have an interest or right that needs to be protected or pursued in another judicial or administrative forum as soon as it is reasonably possible for counsel to do so. Notice to the Court shall be by filing of a declaration. The person giving notice shall set forth the nature of the interest or right that needs to be protected or pursued, the name and address, if known, of the administrative agency or judicial forum in which the right or interest may be affected, and the nature of the proceedings being contemplated or conducted there. The Court will respond as appropriate, pursuant to California Rules of Court, rule 5.660, subdivision (g). *(Amended 7/01/16, 1/01/07; effective 1/01/01)*

9.00.0 ADOPTION RULES

9.01.0 General: Upon the filing of any adoption petition or adoption-related matter (including a petition for termination of parental rights and freedom from parental custody and control), the clerk of the Court will send notice of pendency of the action to the appropriate investigating agencies. However, petitioners are responsible for submitting all moving papers, fees, and other required information to the investigating agency or agencies. *(Amended 7/01/16; effective 1/01/01)*

9.02.0 Finalization: Adoptions may not be set for finalization hearing until all of the following steps have been completed:

- a. The written consent of both birth parents, if living, have been filed with the Court by the petitioner or by the adoption agency, or all birth parents' rights have been terminated and the period for appeal of the order terminating parental rights has expired. Termination of parental rights is required prior to adoption finalization in every case in which a living parent does not consent to the adoption, even if the identity or location of the non-consenting parent is unknown.
- b. The adoption agency or investigating agency has filed with the Court its written report that recommends granting or denying the petition, and a completed and signed Court Report of Adoption form (California Department of Public Health, Office of Vital Records form VS 44) has been lodged in the file.
- c. Petitioners have submitted to the clerk an unsigned adoption agreement and the proposed adoption order. *(Amended 7/01/16, 7/01/05; effective 1/01/01)*

9.03.0 Independent Adoptions: Within thirty (30) days of filing, the petitioner shall forward a file-stamped copy of the adoption petition to the appropriate district office of the State Department of Social Services. *(Amended 7/01/16; effective 1/01/01)*

9.04.0 Agency Adoptions: Within thirty (30) days of filing, the petitioner shall forward a file-stamped copy of the adoption petition to the adoption agency that placed the child in the petitioner's custody. *(Amended 7/01/16; effective 1/01/01)*

9.05.0 Stepparent Adoptions:

- a. If the petitioner has not elected an investigator pursuant to Family Code section 9001, subdivision (b), the petitioner shall, within thirty (30) days of filing, forward a file-stamped copy of the petition to the agency designated by the County of Tuolumne to perform stepparent adoption investigations. The petitioner also shall forward to the agency all documentation required by the agency and shall pay the agency fee within one (1) year of filing the petition.
- b. The Court may, on its own motion or on the motion of the investigating agency, dismiss any petition that the petitioner has failed to finalize within eighteen (18) months of the original filing date, unless the petitioner can demonstrate good cause for the delay. *(Amended 7/01/18, 7/01/16; effective 1/01/01)*

9.06.0 Timing of Petition: It is the policy of this Court that a petition for adoption should not be filed until a child is free to be adopted. (*Amended 7/01/16; effective 7/01/10*)

10.00.0 COURT COMMUNICATION REGARDING RESTRAINING ORDERS

10.01.0 Court Communications: Until the Court has a case management system capable of automatically coordinating domestic violence-related orders, the Court's criminal, family, and juvenile departments shall, to the best of their abilities, communicate with one another to identify families with existing orders. *(Amended 7/01/16; effective 7/01/10)*

10.02.0 Avoiding Conflicting Orders: No department of the family or juvenile court shall issue a protective order or custody order in conflict with an order of the criminal court. In the event such an order is issued inadvertently, the orders of the criminal court shall control. *(Amended 7/01/16; effective 7/01/10)*

10.03.0 Modification of Criminal Protective Order:

- a. Upon receiving notice of an existing criminal protective order, the family or juvenile court shall refer the parties requesting custody and visitation orders to the criminal court. There, the person restrained or protected by a criminal protective order may request a hearing to modify the criminal protective order to expand or restrict contact between the person restrained by the order and his or her children.
- b. The Court may make a custody and visitation order in a family law case after a criminal protective order has issued. The Court shall explain to the parties that the family law order cannot be enforced by law enforcement unless the criminal protective order is modified to include the terms of the custody and visitation order. *(Amended 7/01/16; effective 7/01/10)*

10.04.0 Coexisting Criminal and Family or Juvenile Court Orders: A family or juvenile court order may coexist with a criminal protective order, subject to the following conditions:

- a. Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain language, either printed or handwritten, that violates a no-contact order issued by a criminal court.
- b. After having knowledge of existing child custody and visitation orders, a criminal court issuing a protective order shall indicate on the order that contact and visitation between the restrained person and his or her children is pursuant to orders previously made by the family or juvenile court.
- c. Safety of all parties shall be the Court's paramount concern. The family or juvenile court shall specify the time(s), day(s), place(s), and manner of transfer of the child(ren) as provided in Family Code section 3100. *(Amended 7/01/16; effective 7/01/10)*

11.00.0 TRAFFIC RULES

11.01.0 Written Not-Guilty Plea: Any defendant who has received a written notice to appear for an infraction may, prior to the time at which he or she is required to appear, plead not guilty in writing in lieu of appearing in person.
