Administrator: Kathy Anderson

PROBATE NOTES: Friday, February 8, 2019

These notes are not updated based on subsequent filings once they are posted.

**PR11578                                      Conservatorship of Charles M. Clements**

Hearing type:                      Review re inventory and appraisal  
Conservators:                      John and Liliana Vass  
Conservators' counsel:        None

At the time of the Court's review of this case on February 4, 2019, the file did not reflect that Conservators had filed an Inventory and Appraisal form as required by Probate Code section 2610. The Inventory and Appraisal form was due no later than November 28, 2018.

The Court also notes that Conservators' powers expired on November 2, 2018, pursuant to the letters of temporary conservatorship issued on August 30, 2018. At the time of the Court's review of this case on February 4, 2019, the file did not reflect that Conservators had filed proof of bond as required by the amended minute order dated November 2, 2018. No order appointing Conservators as long-term conservators has been filed, and no letters extending the temporary conservatorship pending filing of proof of bond have been issued.

Appearance required.

**PR11624                                      Estate of Carl H. Croci**

Hearing type:                      Amended spousal property petition  
Petitioner:                         Melissa A. Croci  
Petitioner's counsel:            Carrie M. McKernan

The Court has read and considered the amended petition filed on January 8, 2019, which is recommended for approval. Appearance not required. However, the Court notes that Petitioner did not complete item 3c of the proposed order. The Court further notes that the prefatory sentence on attachment 5a to the proposed order goes beyond what the amended petition proves; the Court can confirm that Decedent's interest in the property passes to Petitioner, but there is no evidence as to "all interest" in the property.
